Qualifications: I have served as Chairman for the Davis County Constitution Party, State and County Delegate for the Republican Party, and State and County Delegate for the Constitution Party. If elected I would make the following issues my priority.

- Property Tax: I have always felt that it is unjust for a person to work their entire life to pay off their home and legally own it, only to be treated as a mere tenant by virtue of having to pay property tax. If elected I will work to trim government spending and reduce property taxes.
- ID Theft: It is estimated that the SSNs of 20,000 - 50,000 Utah children are being used by someone else. Most of these stolen IDs are being used by illegal immigrants to obtain jobs. I will work to put a stop to document fraud by requiring employers to use E-Verify (a free service) before hiring employees.
- Education: Private schools in Utah pay their teachers the same relative salary and have about half the class size as public schools, and they do this for less than is spent per child in public schools. I will work tirelessly to cut waste and increase efficiency in the public education system.
